FOOD & BEVERAGE POLICY

Light Fare Options:

For your convenience, you are welcome to make selections from our "Light Fare Catering Options" menu for snack foods in your family lounge during visiting hours. We are happy to take this burden off the shoulders of your family and friends. However, sometimes family and friends still wish to supply food for their own lounge. This is permissible, as long as there are no onions on any of the dishes (the smell will travel throughout our HVAC system). Any onions will be immediately thrown in the trash by Skorupski staff members.

Reception Catering Options:

All receptions (sit-down meals) at Skorupski's require catering to be selected from our "Reception Catering Options" menu. Due to health department regulations, no family-made/church-made/etc. food dishes may be brought in. No outside caterers are permitted for receptions held on-site at Skorupski's.

ALCOHOL – No outside alcohol is permitted anywhere on the exterior or interior grounds of Skorupski's. If your family wishes for a "Tribute Cocktail Hour," please ask your planner for more details.

CUSTOM REQUESTS – Should you wish for a custom food item, please let your planner know. We will do our very best to accommodate all custom requests.

NO ONIONS PERMITTED AT ANY TIME
